

FOCUS

KEY FIGURES

FIGURES
2023

TEACHING

13,715

students, including:

▶ **10,700**

engineering/management students

▶ **32%** of French students
receive a grant

▶ Nearly **1,800** in master's, specialized
master's, and bachelor's programs

▶ Over **1,200** PhD students

4,770 degrees awarded

INSTITUTION

4,600 staff members, including:

▶ More than **2,900** teaching
and research staff, doctoral
and post-doc students,
and R&D engineers

8 Graduate Technological
universities + **2** subsidiaries

1 foundation

▶ more than **280** corporate sponsors

▶ **4,000** donors

RANKINGS

▶ All 7 IMT engineering technological universities located
in the top quarter in the 2023 **Etudiant rankings of French
graduate technological universities**

▶ **6** IMT technological universities ranked in **the 2023 Times
Higher Education Impact rankings** — alongside only
33 French institutions among 1,500 worldwide

▶ Institut Mines-Télécom Business School: **#1 French
technological university** in terms of added value
in the 2023 edition of the Financial Times rankings.
Its “Grande Ecole program” ranked 52nd worldwide in
the “Master’s in Management” ranking and 15th in France

ACADEMIC, TECHNOLOGICAL, AND PARTNERSHIP-BASED RESEARCH

€ **93 million** from contractual resources from research, development and innovation

2 Carnot Institutes: M.I.N.E.S and Télécom & Société Numérique

Over **2,800** international publications

More than **50** Industrial Chairs

(Co)owner of **270** patent families

INTERNATIONAL

31% international students (excluding work-study programs)

More than **500** partner establishments in over **70** countries

100% of IMT students spend at least **1** semester studying abroad

IMT, MEMBER OF EULIST EUROPEAN UNIVERSITY

► 10 European countries, 10 universities, over 200,000 students and 20,000 academic and administrative staff.

INNOVATION & ECONOMIC DEVELOPMENT

More than **110** businesses created and **160** projects currently being incubated

More than **5,200** initiatives to support the transformation of SMEs and midcaps

More than **70** technology platforms open to companies

More than **30** patents

BUDGET

REVENUE

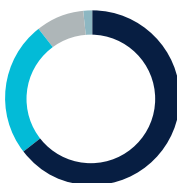

€ 414.1 M

- € 240 M government subsidies
- € 90.6 M research, innovation, and transfer contracts
- € 61.6 M training (initial training, lifelong learning, apprenticeship tax)
- € 22 M other revenue

EXPENDITURE

€ 418.7 M

- € 270.7 M staff
- € 103.9 M operating expenses
- € 38.2 M investment
- € 5.39 M intervention

IMT

IMT is a French Federal Institute of Technological Universities of science and management for sustainable economic development.

Created to meet France's economic and industrial development needs since the nineteenth century, IMT's Technological Universities have supported every industrial and communications revolution. Through research and the training of engineers, managers and PhDs, IMT is addressing the major industrial, digital, energy and ecological challenges facing France, Europe and the entire world.

Today, we are designing and building – together – a world that reconciles science, technology and economic development with respect for the planet and its inhabitants.
